Dear Fellow RIPLA Members:

From the increase in traffic on my way in to work this morning I could tell summer was almost over and it was time for the 2007-2008 RIPLA activities to begin. Your Board has been busy over the summer and you may have already received save the date announcements for the upcoming Golf Tournament on September 28 and the Fall Seminar on November 16, 2007 at the Rochester Riverside Convention Center (the Friday before Thanksgiving). We also intend to have our regular monthly meetings in October, January, March, and June and the 2008 Inventor of the Year award dinner in the spring.

E-Mail: CMiller@Jaeckle.com

Accompanying this memo and membership notice is a registration notice for the Golf Tournament. We have eight foursomes registered but there is still room for more. If you can not attend for golf, please consider joining us for the reception starting at 4:30 pm. We will be in the tent on the patio behind the club house at Durand Eastman golf course.

Our current treasury balance is in line with previous years (approximately \$9000.00) which allows us to offer RIPLA membership at the same rate as last year. Again we are offering the option for RIPLA members to support the Invention Convention, an educational and fun program for school children and their families that RIPLA has supported in the past. Please note that you may opt out of having RIPLA contribute \$5 to the Invention Convention. If you do opt out, your dues would be the lesser amount (\$25 for Active members/\$15 for Associate members).
